+234 807 050 5661

Lagos, Nigeria

## Summary

Frontend Developer with 3+ years of experience building responsive, user-friendly, and scalable web applications, along with 1 year of backend development experience. Skilled in React, JavaScript, TypeScript, HTML, CSS, and Firebase. Adept at collaborating with cross-functional teams, solving complex problems, and delivering high-quality digital solutions. Seeking to leverage my expertise to contribute to innovative projects in a dynamic tech company.

## Work Experience

### Junior Software Developer (Intern)

CODEWARE, Ikeja, Lagos

July 2024 – December 2024

- Developed web apps in Vue and react, cutting load times by 25%.
- Collaborated with backend-end developers to integrate APIs and improve user experience.
- Implemented automated testing tools, resulting in a 30% decrease in post-release bugs.
